

FRONTEND DESIGN

Event Description:

The FRONTEND FREEBIRDS event consists of two rounds. In the first round, teams will be required to create design using HTML, CSS, and JavaScript based on the GIFs or images provided. In the second round, participants will be given a problem statement for a website that they must develop. The images and problem statement for both rounds will be provided during their respective rounds, and participants will have complete access to internet resources to create their designs and websites from scratch.

Team Specification:

- Each team can have minimum of 2 members.
- Only 1 submission will be accepted from each team.
- Registration Fee for each Person Rupees 150/-

Event Structure:

Round 1: Design Challenge

- In this round, there will be 4 questions, each question consists of an image or a GIF and other necessary information which will be required to complete the design using HTML, CSS and JavaScript only.
- Teams will be given 1 hour to complete the task.
- Each question will carry 25 points. There will not be any intermediary points like 10, 15, etc. Teams will get either 25 points or zero for each question based on their submission.
- The points obtained in this round will count towards qualifying for round

Round 2: Website Challenge

- In this round, teams will be provided three topic or themes, from which they must select one to build a website frontend.
- Teams will be given 2 hours to complete the task.
- A multi-page website is recommended, though the teams can design according to their skillset.
- Use of HTML, CSS and JavaScript is recommended, but team members can use any additional tech stack of their choice.

- The website will be judged based on the following criteria.

S. No.	Criteria	Weightages (in %)
1.	Creativity	25
2.	Responsiveness	25
3.	Animations	20
4.	Semantics	15
5.	Code readability	15

- Finally, teams will have to host the website they created locally to display it to the judges.
- Points of this round will be added to the final score for evaluation.

Note: Participants have to bring their own laptops.

Rules and Guidelines

- Each team has to register offline, or online on the official TRISHNA'24 website for the event.
- All participants are required to report 15 minutes before their allotted slot to the reporting desk, being late will be subjected to disqualification.
- All team members must have a valid TRISHNA'24 id card and college id card in order to participate. other college participants must bring a Bonafide Certificate/Letter to participate in this Tech Fest, with your college Principal/HOD signature.
- Any misbehavior of participants during the event may lead to disqualification.
- TRISHNA will not be responsible for any lost or misdirected entries.
- The organizing committee reserve the right to change any of the above rules as they deem fit, at any point in time. However, registered participants will be informed about any changes through email/messages/WhatsApp groups.
- The Jury's decision will be final and abiding.
