

PROJECT-O-ERA

Event Description:

Project-O-Era is the platform where innovation, technology, and creativity meet. Present your cutting-edge projects in various fields of engineering and technology. Whether it's hardware, software, or an integrated solution, this is your chance to showcase your skills, ingenuity, and problem-solving abilities in front of expert judges and a tech-savvy audience.

Team Specification:

1. A team can have a minimum of 2 and a maximum of 4 members.
2. Students from different institutes are allowed to form a team.
3. Registration fee for each team member: Rupees 150/-

Event Structure:

1. Abstract Submission: Teams must submit an abstract of their project during registration. The abstract should not exceed 300 words and must explain the problem statement, proposed solution, and project's novelty.
2. Project Presentation:
 - » Teams will be given a maximum of 10 minutes to present their projects, followed by 5 minutes of Q&A from judges and the audience.
 - » A working prototype or simulation is encouraged for better understanding.
3. Judging Criteria:
 - » Innovation and Creativity
 - » Technical Complexity
 - » Real-world Application and Feasibility
 - » Presentation Skills and Clarity
 - » Design and Aesthetics (for hardware projects)

Project Specification:

1. The project can be in any field such as Electronics, Computer Science, Mechanical, Civil, etc.
2. The project must be either a working prototype or a well-detailed simulation/model.
3. Teams must bring their own laptops, hardware, and any other necessary materials.

Event Details:

1. Teams will present their projects in front of the jury and the audience.
2. Each team is required to bring a poster (A2 size) summarizing their project to display during the expo.
3. The best projects will be awarded based on the judging criteria mentioned.

Rules and Guidelines:

- Each team has to register online through the official TRISHNA 2K24 website or offline through event coordinators.
- Participants must report at least 30 minutes before their allotted presentation slot. Late arrivals may result in disqualification.
- All team members must have valid TRISHNA and college ID cards for participation. Participants from other colleges must bring a bonafide certificate signed by their Principal/HOD.
- Projects that involve any illegal, unethical, or dangerous methods will be disqualified.
- The use of pre-made or commercially available kits will result in a deduction of points.
- Misbehaviour or violations of rules by any participant may lead to disqualification of the entire team.
- The jury's decision will be final and binding.
- The organizing committee reserves the right to modify the rules at any time. Participants will be informed of any changes via email/WhatsApp.
