MAD FOR CAD

Event Description:

Mad For CAD is a computer-aided designing competition to be organized during TRISHNA'24. This competition aims to check your excellence in the creation, modification, analysis, and optimization of a design. In this competition, participants have to perform the designing operation according to the given problem statement within the allotted time. Participants are free to use Solid works / CATIA / AutoCAD software during the competition.

Team Specification:

• The event involves the individual participation.
• Registration Fee Rupees 150/-

Event Structure:

Round – 1

• The first round will comprise 50 marks and will be based on a 2D design.
• Participants have to create a 2D design as per the problem statement within the allotted time.
• There will be negative markings for each mistake committed in the design.
• The top 50% of students will be selected for the second round.

Round - 2

• The second round will comprise 100 marks and will be based on 3D design and assembly.
• Participants have to design and assemble the 3D model as per the problem statement within the allotted time.
• The marking scheme will be discussed prior to the competition.

Rules and Guidelines:

• Participants have to register offline, or online on the official TRISHNA'24 website for the event.

• Participants will have the option to choose their software for design at the time of registration. Using other software in between the competition shall lead to disqualification of the participants.

• Participants have to upload their CAD files for both rounds in the shared google form.

• If possible, participants have to bring their own laptop (with software preinstalled) for the competition. Use of the Internet is not allowed during competition, violation of which may lead to disqualification.

• Power Supply will be provided to the participants at the time of competition to charge their devices.

• All participants are required to report 15 min before their allotted slot to the reporting desk, being late will be subjected to disqualification.

• Participants must have a valid TRISHNA'24 id card and college id card in order to participate. And other college participants must bring a Bonafide Certificate/Letter to participate in this Tech Fest, with your college Principal/HOD signature

• Any misbehavior of participants during the event may lead to disqualification. Trishna'24 will not be responsible for any late, lost, or misdirected entries.

• The organizing committee reserves the right to change any of the above rules as they deem fit, at any point in time. However, registered participants will be informed about any changes through email/ message/ WhatsApp groups.

• The jury's decision will be final and abiding.
